Dear Timberpeg Staff & Employees:

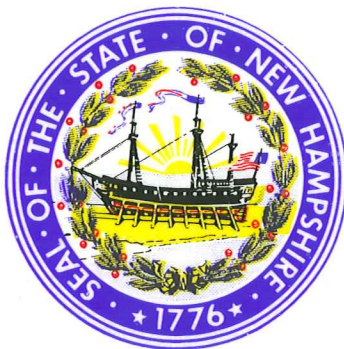

As Executive Councilor for District One, I want to extend my official and personal congratulations to the staff and employees for receiving the **2010 Timber Frame of the Year Award** from the Timber Frame Business Council.

This award is given in recognition of the commitment and dedication it took to create something so beautiful as the "Lakewood Home" in Newbury, New Hampshire. The staff and employees can take much pride in their efforts, as this home is truly an inspiration to other timber companies around the world. It is quite an honor to receive such a prestigious award and this recognition is truly deserved.

With best wishes,

Sincerely yours,

Raymond S. Burton
Executive Councilor
